## Barbecue mop and relish

If you're going to grill for Labor Day, Shawn Askew of Hiram-based Smokehouse Foods has two products that are inspired by his grandparents, Ferrester Marvin Tiller, known in his community as a barbecue master, and Effie Mae Cowser Tiller, whose Sunday dinners were renowned. Effie Mae's Mop is a vinegar-based liquid that adds moisture and flavor as you're grilling pork or chicken. There's no added sugar, so it won't burn as the meat cooks. Marvin's Sauce is a very spicy cabbage-based relish for grilled hot dogs and sausages that also goes well on eggs.
